

## S39

Build No.20180905

## PROFILE

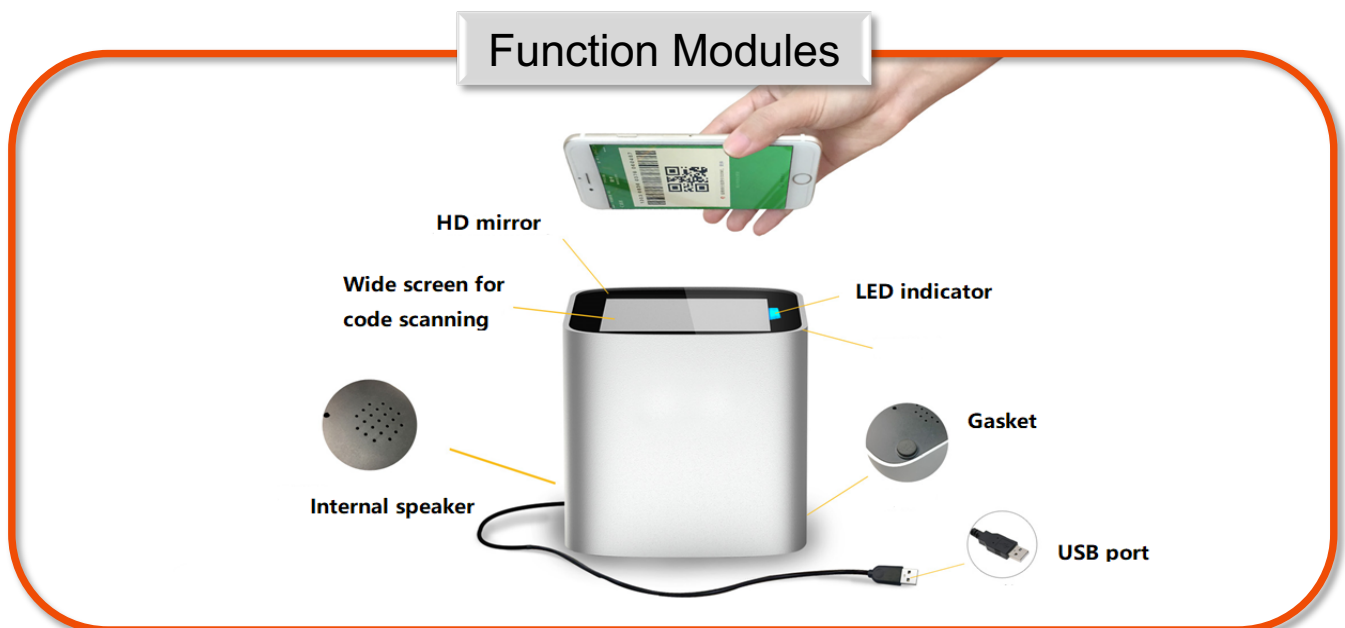

Centerm S39 is a light and delicate box-shape payment device integrated with internal camera, bar code reader, QR code reader and internal speaker.

## Features

- Large scan zone
- QR code & bar code capture
- Diffuse illumination
- Outstanding power efficiency
- Improved sensibility

## Function Modules

## SPECIFICATION

Performance	
Processor	ARM 9
Image Sensor	653 × 439CMOS
Camera	300,000 pixels
Port	USB 1.1 (HID-KBW)
Symbologies	Bar code, QR code, Code 128, EAN-13
Scan Mode	Continuous mode
Resolution	10 mil
Scan Angle	Pitch: ±40°, Roll: 360°, Skew: ±35°
Scan Area	57mm × 76mm
Field of View	Horizontal 54°, Vertical 58°
Indicator	Blue and red LED for different working status
Voice prompt	Prompt from 0.5W speaker, customizable by software
Mechanical/ Electrical	
Notification	Beep, LED indicator
Dimensions	101.5mm × 78.5mm × 70mm
Weight	110g
Operating Voltage	5 VDC
Power Consumption	1.5W
Environmental	
Operating Temperature	-10°C ~ +50°C
Storage Temperature	-40°C ~ +70°C
Humidity	5% ~ 95% non-condensing
Ambient Light	0~100,000lux
